EUROPEAN DESIGN FOR AUSTRALIAN HOMES

We are passionate about cooking, and we are inspired by you. Your needs, desires and experiences have shaped the functionality and design of our products to make every day cooking a pleasure and entertaining a breeze.

Häfele Lifestyle Appliances celebrate the iconic Australian lifestyle and bring European design together with our renowned commitment to quality. For more than 90 years Häfele has led the way for innovative kitchen solutions and our appliance range continues our mission to foster connections to family life in every Australian home.

OVENS

539.60.631
60CM 4 FUNCTION OVEN

Features
90 Litre gross cavity
80 Litre net cavity
Mechanical minute timer
Triple glazed cool touch door
Side wire racks: 6 levels
Interior light

Functions
Grill
Maxi grill
Grill with fan
Convection

Included accessories
1x Baking tray with wire grid insert
2x Wire shelves

Technical specifications
Product dimensions: 595 x 595 x 565mm (HxWxD) - 29.1kgs
Max current & rated voltage: 2100W, 220-240V~
Electrical installation: 10A 3-pin plug
Packed dimensions: 620 x 640 x 650mm (HxWxD) - 30.7kgs
Barcode: 9329184096977

539.60.651
60CM 8 FUNCTION OVEN

Features
90 Litre gross cavity
80 Litre net cavity
Digital programmable timer
Triple glazed cool touch door
Side wire racks: 6 levels
Interior light
A set of telescopic runners

Functions
Fan
Bake
Fan bake
Convection
Defrost
Grill
Grill with fan
3D Cooking

Included accessories
1x Baking tray with wire grid insert
2x Wire shelves

Technical specifications
Product dimensions: 595 x 595 x 565mm (HxWxD) - 26.5kgs
Max current & rated voltage: 2100W, 220-240V~
Electrical installation: 15A 3-pin plug
Packed dimensions: 620 x 640 x 650mm (HxWxD) - 27.7kgs
Barcode: 9329184097004

539.60.661
60CM 13 FUNCTION PYROLYTIC OVEN

Features
65 Litre gross cavity
60 Litre net cavity
Pyrolytic cleaning
Full touch control panel
Quad glazed cool touch door
Side wire racks: 4 levels
Interior light
A set of telescopic runners

Functions
Bake
Fan bake
Convection
3D Cooking
Grill
Maxi grill
Grill with fan
Maxi grill with fan
Convection with grill
Top element
Bottom element
Bottom with convection and fan
Top with convection and fan

Included accessories
1x Baking tray with wire grid insert
2x Wire shelves

Technical specifications
Product dimensions: 595 x 595 x 565mm (HxWxD) - 26.5kgs
Max current & rated voltage: 2100W, 220-240V~
Electrical installation: Hardwired only
Packed dimensions: 620 x 640 x 650mm (HxWxD) - 27.7kgs
Barcode: 9329184097011

539.60.691

60CM 5 FUNCTION LEFT SIDE OPENING OVEN

Features

67 Litre gross cavity
63 Litre net cavity
Touch control programmable timer
Triple glazed cool touch door
Side wire racks: 5 levels
Easy grip knobs
Interior light
A set of telescopic runners
Left hand door hinging

Functions

Light
Grill
Grill with fan
Fan bake
Defrost

Included accessories

1x Baking tray with wire grid insert
2x Wire shelves

Technical specifications

Product dimensions: 595 x 595 x 565mm (HxWxD) - 32.5kgs
Max current & rated voltage: 2100W, 220-240V~
Electrical installation: 15A 3-pin plug
Packed dimensions: 647 x 658 x 660mm (HxWxD) - 37kgs
Barcode: 9329184096991

539.60.641

60CM 5 FUNCTION RIGHT SIDE OPENING OVEN

Features

67 Litre gross cavity
63 Litre net cavity
Touch control programmable timer
Triple glazed cool touch door
Side wire racks: 5 levels
Easy grip knobs
Interior light
A set of telescopic runners
Right hand door hinging

Functions

Light
Grill
Grill with fan
Fan bake
Defrost

Included accessories

Electrical installation: 15A 3-pin plug
Packed dimensions: 647 x 658 x 660mm (HxWxD) - 37kgs
Barcode: 9329184096984

539.60.672

90CM 9 FUNCTION OVEN

Features

129 Litre gross cavity
101 Litre net cavity
Digital programmable timer
Triple glazed cool touch door
Side wire racks: 4 levels
Interior light
A set of telescopic runners

Functions

Light
Fan
Bake
Fan bake
Convection
Defrost
Grill
Grill with fan
3D Cooking

Included accessories

1x Baking tray with wire grid insert
2x Wire shelves

Technical specifications

Product dimensions: 595 x 896 x 565mm (HxWxD) - 50.8kgs
Max current & rated voltage: 2100W, 220-240V~
Electrical installation: Hardwired only
Packed dimensions: 930 x 665 x 675mm (HxWxD) - 55.5kgs
Barcode: 9329184097028

OVEN FEATURES

Defrost

Ambient air temperature is distributed inside the oven to defrost food faster without affecting the food quality.

Grill/ Maxi Grill

Selecting this function switches on the upper heating element for the direct heat over smaller fillets of food. Can be used with temperatures of 60º - 260º C.

Grill with Fan

The upper heating element and fan work together. The air is heated by the grill element and distributed evenly by the fan.

Maxi Grill with Fan

Selecting this function switches on the upper heating element for direct heat over larger and thicker fillets of food. Can be used with temperatures of 60º - 260º C.

Convection

This is the traditional cooking method with only the lower and upper heating elements operating together. Ideal for roasting joints, biscuits and crisping food.

Convection with Grill

The fan and circular heating element operate together in conjunction with the lower element. The hot air is distributed evenly inside the oven whilst browning the base. Ideal for cooking pizzas.

Bottom Element

This function is ideal for cooking food from the bottom. Such as warming food or dishes that require long and slow cooking, such as a casserole.

Bottom Element with Fan

Selecting this function switches on the lower heating element and fan. Ideal for warming up pre-cooked meals and cooking pizza.

Top Element

This function is ideal for cooking food from the top. Such as broiling meats and pre-heating.

Top Element with Fan

Selecting this function switches on the top heating element and fan. Ideal for cooking meats such as chicken and red meats.

Fan Bake

Both the fan and the circular heating element operate together. The hot air is adjustable between 60º - 260º C and is evenly distributed inside the oven. Ideal for cooking several dishes of food at the same time without affecting the taste or smell.

3D Cooking

Both the top and bottom elements are on with the fan assisting to move the air around the oven. It produces ideal results for cooking on one level such as biscuits, cakes and canapés.

Pyrolytic

This is the function for self cleaning mode. Here the oven is automatically cleaned by burning off cooking residues at high temperature (approx 475º C).

Light

This light is always on with every selected function.

Easy Steam Clean

Just pour half a litre of tap water into a baking tray, place it into the oven and set the temperature to 80º C. The steam generated acts to soften the grime on the oven walls. After 30 minutes simply wipe down with a soft cloth.

COOKTOPS

539.40.001
60CM GAS COOKTOP

Features
4 Cooking zones
Italian sabaf burners
Flame failure safety device (FFD)
Automatic under-knob ignition
Stainless steel cooking surface
Enamel trivets
Front controls

Burners
1x Big burner - 2.9kW
2x Middle burner - 1.7kW
1x Small burner - 0.95kW

Included accessories
LPG coversion kit
Gas regulator

Technical specifications
Product dimensions: 100 x 580 x 510mm (HxWxD) - 8.6kgs
Cut-out dimensions: 490 x 560mm (WxD)
Electrical installation: 10A 3-pin plug
Packed dimensions: 160 x 635 x 615mm (HxWxD) - 10.8kgs
Barcode: 9329184097035

539.40.011
60CM GAS COOKTOP WITH WOK BURNER

Features
4 Cooking zones
Italian sabaf burners
Flame failure safety device (FFD)
Automatic under-knob ignition
Stainless steel cooking surface
Cast iron trivets
Front controls

Burners
1x Wok burner - 3.5kW
1x Big burner - 2.9kW
1x Middle burner - 1.7kW
1x Small burner - 0.95kW

Included accessories
LPG coversion kit
Gas regulator

Technical specifications
Product dimensions: 100 x 580 x 510mm (HxWxD) - 8.6kgs
Cut-out dimensions: 490 x 560mm (WxD)
Electrical installation: 10A 3-pin plug
Packed dimensions: 160 x 635 x 615mm (HxWxD) - 10.8kgs
Barcode: 9329184097042

539.40.022
90CM GAS COOKTOP WITH WOK BURNER

Features
5 Cooking zones
Italian sabaf burners
Flame failure safety device (FFD)
Automatic under-knob ignition
Stainless steel cooking surface
Cast iron trivets
Front controls

Burners
1x Wok burner - 3.5kW
1x Big burner - 2.9kW
2x Middle burner - 1.7kW
1x Small burner - 0.95kW

Included accessories
LPG coversion kit
Gas regulator

Technical specifications
Product dimensions: 103.5 x 860 x 510mm (HxWxD) - 11.3kgs
Cut-out dimensions: 490 x 810mm (WxD)
Electrical installation: 10A 3-pin plug
Packed dimensions: 160 x 900 x 615mm (HxWxD) - 16.4kgs
