

Press Release

High-rolling design that delivers It's every designer's dilemma

You want a kitchen that's practical, but you don't want to compromise on style. You want a kitchen that's streamlined, but one that makes full use of space. Now you can have the best of both worlds.

Introducing Belle Roller Doors from Häfele.

Expertly crafted to deliver high-rolling design and functionality for everyday use, Belle Roller Doors are ideal for all your storage requirements, discreetly concealing and securing appliances while blending seamlessly with the aesthetic of your kitchen design.

What's more, Belle Roller Doors glide effortlessly up and down to provide greater freedom of movement in any modern and practical space. And with a diverse range of finishes that can be custom built to sizes up to 500mm x 2000mm, you have an easy-to-install solution that compliments any style – and a must for every forward-thinking designer.

Please contact your local Häfele Sales Office for further information on the Belle Roller Door product range today.
